ABOUT TERRY FOX

In 1977, Terry Fox, a young 18 year old Canadian had his right leg amputated due to bone cancer. While in hospital, Terry was so overcome by the suffering of other cancer patients, many of them being young children that he decided to run across Canada to raise money for Cancer Research. He would call his journey The Marathon of Hope. Although he lost his own battle against cancer in 1981, Terry's legacy lives on through an annual fund-raising run held in his name in 60 countries worldwide.

Here in HCMC, the Canadian community has been hosting the annual Terry Fox Run since 1997, with last year's drawing

an enthusiastic involvement of 16,500 participants, raising an impressive VND 1,300,000,000.

This year we hope to build on last year's success: please bring your friends and family and join us for the 5km run in Phu My Hung, District 7. You can walk, run, bike or roller blade and enjoy the festivities, including music, games and more!
